

Technical Data Sheet | BP4XL Drum Spill Pallet | 4 x 205ltr Drums

The BP4XL is a sturdy spill pallet engineered to accommodate 4 x 205ltr Drums with extra sump capacity. The removable grid provides easy access to the sump area for hassle-free cleaning and decontamination. The sump, fully compliant with all UK regulations regarding capacities, ensures effective containment.

This updated pallet design boasts optimised nesting pockets, enhancing both storage and transportation efficiency. Furthermore, it is UV-stabilised for increased durability.

Product Specifications

External Dimensions (WxDxH)	1225 x 1225 x 495mm
Unit Weight	Approx. 37kg
Sump	440ltr
UDL	1500kg
UK Pack Size (Height)	8 (2300mm)
Group Pack Size (Height)	9 (2500mm)

Product Features
